## ALMA MATER

By Dr. Benjamin P. Browne

Oh Judson, dear, we hail thee,  
Our home in years gone by;  
Fair mem'ries come to greet us,  
And these shall never die.  
We pledge our full devotion,  
Our loyalty is sure,  
With Christ our valiant Leader  
Judson shall endure.

Our days upon our campus  
Are swiftly left behind,  
But we shall always keep thee  
Within our heart and mind.  
We gather now to greet thee  
Time calls us far from here,  
But we shall ever love thee  
Alma Mater, dear.

When years shall bring us changes  
And we are far away,  
Our love for friends will linger,  
Our gratitude will stay.  
We hail our noble teachers  
Their precepts still abide,  
We honor each instructor  
Who has been our guide.

The beauty of the campus,  
The lake, the lawns, the trees,  
The winding stream and bridges,  
The soft and singing breeze,  
The fellowship of Chapel,  
The hymns we love so well —  
All these, our cherished treasures,  
Ever with us dwell.

The call of Christ is sounding  
Far over land and sea,  
And youth must answer bravely  
Whate'er the need may be.  
Our highest and our noblest,  
Our Savior God to Thee,  
We dedicate with Judson  
For Eternity.

# DEDICATION

Professor Edward Thompson

To one—Whom students are magically drawn

To one—Who radiates true Christianity in education,  
family life and civics

To one—Whose life is dedicated to music, giving his all  
to glorify God through singing, conducting or  
teaching

To one—Who believes in the total development of the  
student spiritually, mentally, and physically

To one—Who believes in Judson College, a Christian  
liberal arts education; “Not too much sports  
lest he become a beast, and not too much art,  
lest he become effeminate

To one—Who takes a personal interest in students, their  
achievements, failures and problems, and chal-  
lenges them to higher goals

To one—We consider a Christian example, excellent pro-  
fessor, an accomplished musician, and a friend

To Rev. Edward Thompson, affectionately known as Mr.  
Ed, we dedicate this 1966 publication of the  
Lantern

# ADMINISTRATION

*Benjamin Browne*  
*President*  
D.D., Litt. D.  
L.L.D., L.H.D.

There are advantages in a small college like Judson. Perhaps this is why everyone remarks upon the friendliness of the students at Judson. We are grateful that we are not a factory-type producer of mass education but we major rather on personalized education. Each professor is committed to take a personal interest in each student.

Moreover, Judson College gives an opportunity for growth in leadership since the individual student is not lost in a vast impersonal crowd.

Another feature of Judson life is the Christian spirit which prevails on campus. The Christian ideal inspires the motivation to study hard and to be at the highest and best for the service of God and man.

Judson seeks to develop the total person—mind, spirit and body—in a wholeness which enables youth to grow up into “the measure of the stature of the fullness of Christ.”

To be under the instruction of Christian scholars is a privilege not to be overlooked when one sincerely desires to develop a strong Christian character.

And so, Judson marches forward to the music of a divine mission in behalf of America's magnificent youth.

## CHANGE

A Fast-growing school necessitates changes and positions. Judson's teaching staff made many additions, with more in the third semester. Each addition enriches the college and hurries it on its way upward.

The kitchen was taken over on December 1st, by the Kwik Kafeteria Inc. The students now enjoy nutritious and filling meals. A large number of students are employed by the Kwik Kafeteria Inc., co-operating with the school. Through the term special banquets and events are planned by the kitchen.

# INITIATION

Beanies for two more weeks!

The Freshmen were clad in beanies, bibs, and bottles, and supplied with a big brother or sister for their first few weeks on Judson's campus.

Soon reverence and obedience reigned! Disappointment did come when the freshmen lost the touch football game to the upper-classmen and had to wear their beloved beanies two weeks longer.

Rebellion was almost at hand.

Please, no more orders big brother

Science Building—A Storehouse of Knowledge

Dr. Brown and Dean Boss hooding Mr. James Roach, President of General Motors Corporation.

## DEDICATION

Last year, ground was broken for the new women's residence, and this year the modern dormitory was opened to occupancy to the delight of 60 women students. It also houses the chapel, dining hall, and kitchen on the first floor.

One of the attractions of our campus, our science building, was a gift to us by an anonymous donor. This year we saw the finished product, and honored Mr. James Roach, by hooding him with an honorary Doctorate of Science.

# GROUND BREAKING

## LIBRARY

Mrs. Brown and Mrs. Sciaraffa break ground for a library and for young adult minds.

There have been many happy days this year; two of them were at ground-breaking for the library, and for the gymnasium. Each of these ceremonies have helped to draw us close to accreditation.

The many weeks spent in anxious preparation and anticipation were climaxed at 6:45 on the evening of Friday, November 12, with the banquet, "Autumn Leaves". The Student Senate spent many weeks choosing the theme, designing the decorations, arranging for the entertainment, and co-ordinating all the necessary details for an outstanding banquet.

The Judson College Eagles broke the ice after two years of losses to other colleges, with a cage victory this year. The team then went on to post three more victories for a final record of 4—22. Our boys fought with zeal and enthusiasm that made Judson fans

proud. The five high average men for the year were; Jerry Guse, Dan Collier, Dennis Roberts, Ken Mason and Jim Robinson. Senior men leaving the team are; Ray McClintock, Glen Richardson, and Don Davis.

The mighty faculty, led by high scorer, "Bouncing Besancon", tromped the Senior men 109—102.

By half time the faculty was far in the lead but due to that dreaded "middle age spread", slowed down in the final quarters. The Seniors snapped into shape, led by Glen Richardson, who scored 47 points, but it was a bit too late.
